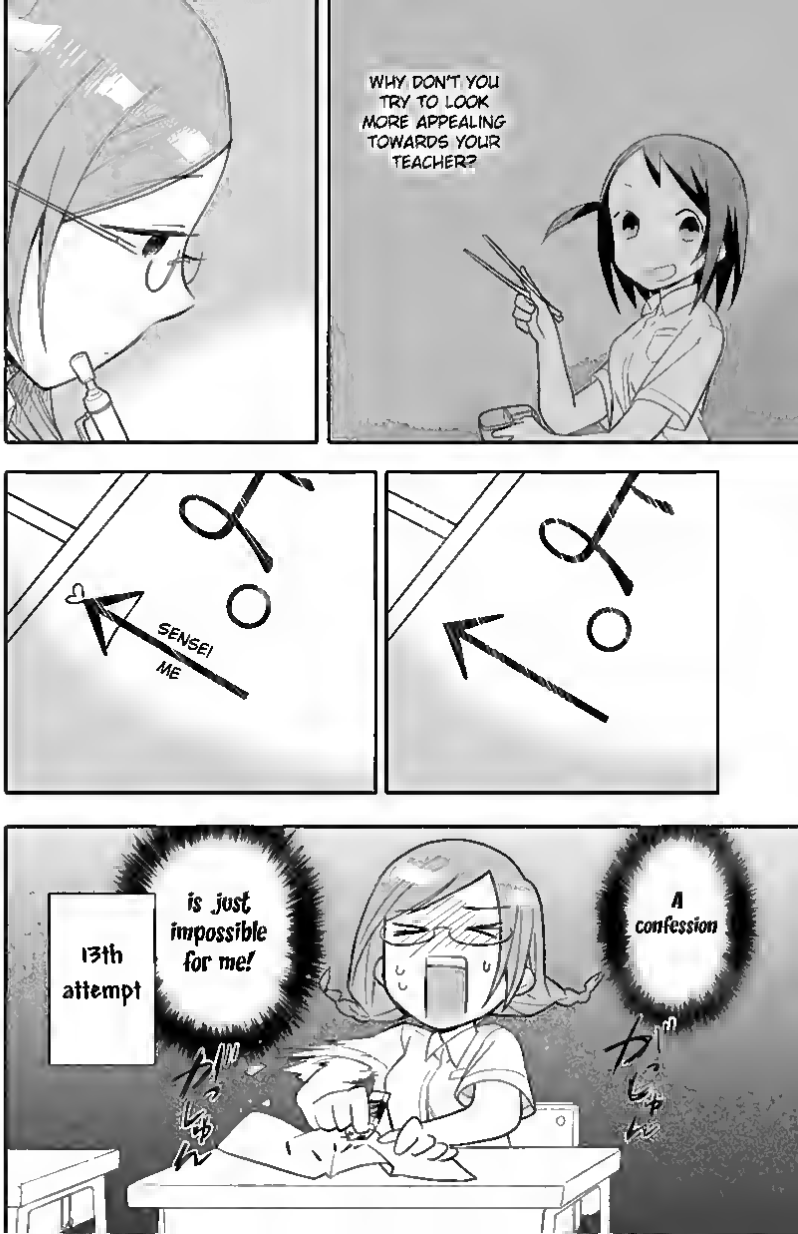
Aoyanagi.
Here.
I'm going to return your tests
You have the highest score again
Her heart skips a beat
Keep doing your best
Ah, yeah.

Here
Heere
Next is...
I like him and I want to get close to him, but it might cause trouble for both of us
Since that's not possible
It's ok for me just being near him.
Haa...

Nha?
Ah...
You're Noda Haruko-san, right?
And this is my husband.
SHE CALLED ME HER HUSBAND!!
Was it really by paper-plane...
Yeah, I asked him to make me food.
If you say it like that, it sounds like I'm just your personal chef...
PLEASE DON'T SPILL YOUR TEA
Is what it means but.
It's really easy, if I do what I'm good at.
Aoyanagi-san,
who has excellent grades...

For me, a confession
F-Fo-
PUT AN EPIC CONFESSION ON HER TEST.
It's just...
If he thinks about me, even a little bit, it makes me kinda happy...
or getting closer, is out of the question.
But if you don't do anything, he'll always just think of you as his A student
I guess that's one way of thinking about it.
I hate carrots.
ゴッ
Consider the trouble you cause other people.
And don't leave your dish half-eaten.



WHY DON'T YOU TRY TO LOOK MORE APPEALING TOWARDS YOUR TEACHER?
SENSEI
ME
13th attempt
is just impossible for me!
A confession

Ok, that's it.
It's not like you can explain such a complex feeling in ten words!
⑩
Explain the protagonist's feelings in ten words
10 minutes?
I must at least answer the problem with the most points.

It would've been good if i did it like this from the start.

I didn't think it was that hard of a question
Well

What, you are alone?

IT IS THAT SEASON AFTER ALL
Did you have an upset stomach?
Pretty much.
I wonder if you'll be able to do it then... should we stop?
PLEASE TEACH
...ME
I see! Do your best then!

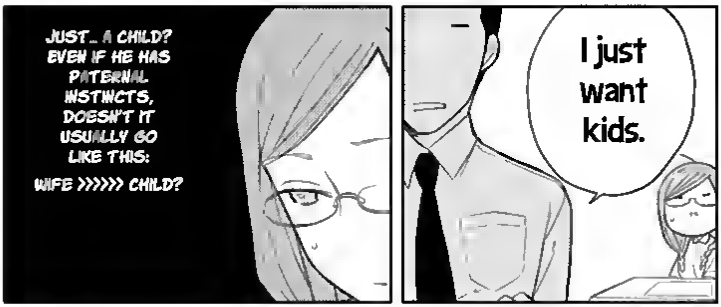
IT'S NOT USELESS
Nothing. I was just wondering how to write "single"
What's wrong?
キリッ
COME TO THINK OF IT, SENSEI IS SINGLE ISN'T HE?

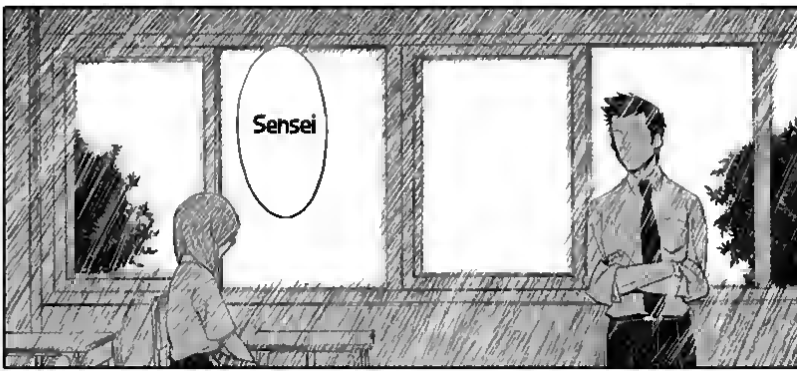
I want to have kids..
Let's see... "What does the protagonist wish for?"
I don't remember a problem where you'd need that.
What does he want...

Eh?
WHY DID HE SAY THAT?
Sensei
Do you have... a wife?
WHICH ONE SHOULD I HAVE ASKED "DO YOU HAVE A WIFE?" OR "DO YOU WANT A WIFE?" EARLIER...!!

I don't have a wife.

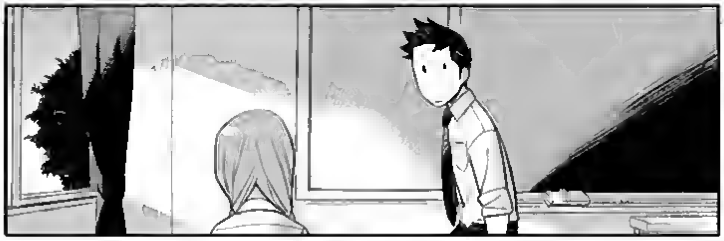


JUST... A CHILD? EVEN IF HE HAS PATERNAL INSTINCTS, DOESN'T IT USUALLY GO LIKE THIS:
WIFE >>>>>> CHILD?
I just want kids.



Sensei

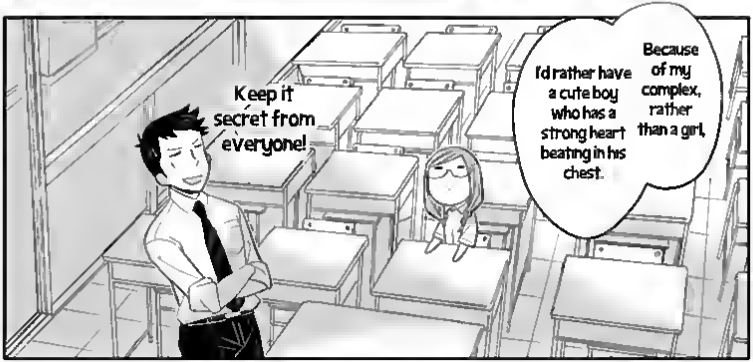
It's ok if you want to adopt me.



but you're the wrong gender.
I would like to have a grown up kid like Yanagi.
So you want a boy?

There's no way I could be Sensei's child. If Sensei had a kid as big as me, that would mean he'd have to have conceived me when he was 8. that's just a regular confession isn't it!!
I'M SO STRANGE TODAY.

Yeah, I want a boy.



Keep it secret from everyone!
I'd rather have a cute boy who has a strong heart beating in his chest.
Because of my complex, rather than a girl.

MY LOVE TOOK AN HONORABLE DEFEAT
Sensei
Today I have something I want to give to Sensei.
Is there still something you don't understand Aoyanagi?

Whoaa
This is it! You're awesome!
Even if my love took an honorable defeat,
Here
on box Have a boy
A secret just between the two of them is nice too
Those two got pretty close.
between me and Sensei.
Maybe I can trade it...!
It was sold out immediately.
Since you bought it for me, I have to get something in return for you!
I was able to shorten the distance

Which sensei was it?
The one who looks like a black tiger shrimp.
Katou is like...
Food made from dandelions are tasty.
looks like a dandelion.
Noda-san
WHY ARE THEY ALL ROOT CROPS?
That's impolite, however I look at him, he's probably a lily bulb
hmm, a potato, a carrot or a wasabi...
